

PE funding self-review

Action Plan & finances for current year (Summer 2014, Autumn 2014, Spring 2015)

Overview

The government decided to give extra money to schools to support children in sports and PE as part of the Olympic Legacy. The grant must be spent on improving PE provision and sport for the benefit of pupils so that they develop healthy lifestyles.

The money for Summer 2013/2014, Autumn and Spring term 2014/2015 was based on children on roll in January 2014.

Hogarth Academy should receive in total: **£7500**

Key Issue: Standards: Physical Health and well-being (inc. PSHE , Drugs Education, SRE & SEAL)		ECM: Stay Healthy Be safe
What we want to achieve: <ol style="list-style-type: none"> 1. A range of high quality PE activities available for all pupils. 2. All children accessing both indoors and outdoors PE sessions. 3. Pupils accessing after school sporting activities. 4. Playtime buddies encouraging sports activities during playtime. 5. Pupils adopting healthy lifestyles. 	Teaching & learning considerations: <ul style="list-style-type: none"> • CPD for staff will be led by Adam McGrory through weekly PE sessions • Staff to plan weekly indoor and outdoor PE sessions and this will be shown on weekly timetables. • Adam McGrory will train Y5 children as Play Leaders • Children under attaining in PE summer 2014 will be tracked and invited to after school PE Clubs • Children exceeding age and stage expectations in Summer 2014 will be signposted to out of school sporting clubs as appropriate

Review of 2014-2015

A range of high quality PE activities was available for all pupils.

All children accessed both indoors and outdoors PE sessions including dance and gymnastics.

Pupils accessing after school sporting activities.

Pupils adopting healthy lifestyles.

Staff confidence improved in teaching gymnastics and dance.

Children chose to play sporting games during playtime and lunch time linked to the games they had learnt in lessons.
