

Year One	Date(s) seen	Have they shown understanding at greater depth?
Place Value		
Know how to count forwards to 10 from any given number.		
Know how to count forwards to 20 from any given number.		
Know how to count forwards to 100 from any given number.		
Know how to count backwards to 10 from any given number.		
Know how to count backwards to 20 from any given number.		
Know how to count backwards to 100 from any given number.		
Know how to identify 1 more than and less than any number to 10.		
Know how to identify 1 more than and less than any number to 20.		
Know how to identify 1 more than and less than any number to 100.		
Know how to write words to 10.		
Know how to write words to 20.		
Know how to count in multiples of 2s.		
Know how to count in multiples of 5s.		
Know how to count in multiples of 10s.		
Number: Addition and Subtraction		
To recognise addition (+), subtraction (-) and equals (=) symbols.		
To know number bonds to 10.		
To know number bonds to 20.		
To know how add 1 digit numbers up to 20.		
To know how to add 2 digit numbers up to 20.		
To know how subtract 1 digit numbers up to 20.		
To know how to subtract 2 digit numbers up to 20.		
Number: Multiplication and Division		
Use arrays to solve multiplication problems.		
Know how to double a quantity.		
Know how to find half of a shape.		
Know how to find half of a quantity.		
Fractions		
Recognise half of an object/shape.		
Recognise a quarter of an object/shape.		
Find a quarter of a quantity.		
Measurement		
Begin to identify measurement such as ml, g and cm.		
Use language such as heavier, lighter, more, less, longer and shorter.		
Find full and empty in terms of capacity.		
Begin to measure and record different types of measurement.		
Identify coins and notes up to £50.		
To sequence events.		
Identify days of the week.		
Identify months of the year.		
Tell the time to o'clock.		
Tell the time to half past.		
Geometry: Properties of Shapes		
Name 2D shapes: rectangles, squares, triangles and circles.		
Name 3D shapes: cuboids, cubes, pyramids and spheres.		
Identify properties of 2D shapes.		
Geometry: Position and Direction		
Recognise whole, half, quarter and three quarter turns.		
Complete these turns to themselves or objects.
